What Was Discussed

- Meeting times that fit into everyone's schedules
- How the workload should be divided
- How much work should be accomplished during each sprint
- How we can communicate with each other effectively
- What the software should focus on

Decisions Made

- Meeting time arrangements
- Group text chat creation
- Software's focus

User Stories

As a student, I want to add assignments to my calendar so that I receive push notifications when their due date is near.
